## **From the Rector: Revd Tom Benson**

Dear Friends,

One of the most joyful parts of being a vicar is when we have the privilege of conducting weddings. As ministers we are 'parachuted' into a family's life and so we see, on the whole, just how much love there is in the world. Not so much that slushy, over-sentimental love, but love that holds and sustains families over years. In any wedding there are negotiations to have and compromises to be made. Budgets to be made – and sometimes even to be kept to! There is always excitement, anxiety, and the understanding that this is one of the pivotal moments of life, and so it is right to make the most of it together.

Weddings are also a time for people to take stock of what is most important in life, the commitments that we make, the direction that we head in and the declaration –made in public- to love honour and protect another person. These are a big deal in anyone's life and we need help to carry them out especially when life goes through its tougher times. In the marriage service we pray that the Holy Spirit will guide and strengthen them, that they may fulfil God's purposes for the whole of their earthly life together. And these prayers are also a big deal because God's help, support, guidance, and above all, his love is something that we all need in our life whether we are married, single, in a partnership, young or old.

How do we connect with God today? How do we experience anything of the love, patience, forgiveness, peace and guidance as we bear witness to our faith? Well, we believe that this is made possible through God's active presence in the world as the Holy Spirit. On the 5<sup>th</sup> of June we celebrated Pentecost and gave thanks for the gift of the Holy Spirit. To meet and experience God's Spirit in the world is a source of immense joy and peace, and I pray that we can all find room in our hearts to seek out this new life.

As you are all no doubt aware, the well loved and highly respected vicar of King's Somborne, the Reverend Richard Burningham passed away at home on the 26<sup>th</sup> of May with his memorial service being held at the parish church on the 21<sup>st</sup> of June. On a personal note, I would like to make a public 'Thank You' to Richard and Sabine for the welcome that they have shown to me and for the care that they have taken of this community over the past few years. I will miss Richard's wise counsel and his spiritual integrity which shone out of him like a beacon. I hope that you join with me in thanks for the life of Richard and that we can hold Sabine and the family in our thoughts and prayers.

God bless,

Tom

## **THE QUEEN'S PLATINUM JUBILEE CELEBRATIONS**

### **FARLEY CHAMBERLAYNE**

A large number of people gathered at Farley Farm to experience the lighting of Farley's Platinum Jubilee Beacon, part of an NFU initiative. We could see right

across Hampshire to the South including Portsmouth's Spinnacre Tower, Southampton Docks, Marchwood, Fawley and the Isle of Wight's Rowridge transmitter. The event was hosted by Alex Graham and his colleagues who had built the Beacon. Our sincere thanks go

to Alex and his team for all their work and hospitality. At exactly 9.45 pm the Beacon was lit - and it caught light beautifully right around its base - becoming a roaring inferno that could be seen for miles around. On the far horizon one or two other beacons could be spotted, along with firework displays in the distance - then Alex and his team produced Farley's own firework display.

Drinks and eats - which had all been donated by participants - went down very well, especially the 'red, white and blue' prosecco, gin and elderflower cocktails with blueberries and strawberries created by Sue McLachlan aided by Emma Weston. Slices of savoury Jubilee Tart, made to a recipe recommended by the NFU, were also consumed in quantity along with all manner of other nibbles. Thanks go to Hazel Watters, Dot May, Wendy Graham, Heather Trim and many others for producing and donating so much food and drink for the occasion.

A good time was had by all and we raised over £300 in donations for St John's Farley Chamberlayne (which will go swiftly towards the Church repairs carried out following storm Eunice). Farley's Platinum Jubilee Beacon Lighting, to celebrate Elizabeth II's reign, truly turned out to be a night to remember.

## ALL SAINTS, BRAISHFIELD

The church Flower Arrangers worked together to celebrate the Jubilee in red, white and blue flowers, including the specially made and designed crown and arrangement in front of the altar. On Thursday 2<sup>nd</sup> June there was a celebration Cream Tea in the Church Room.

## ALL SAINTS, AWBRIDGE

What fabulous Platinum Jubilee Celebrations were enjoyed in June, with an abundant and wonderful flower festival in church with all manner of displays to honour our Queen. We think the Corgis stole the show in their special garden! Many thanks to everyone involved. We also had two worship services dedicated to the Jubilee with lovely music as well as Paddington Bear to enjoy.

MICHELMERSH and TIMSURY have their celebrations to come!

Ride & Stride Day supports our Churches & Chapels in Hampshire and the Isle of Wight This event happens nationally.

Despite Covid the Ride & Stride Participants raised nearly £62,000 for the Trust which will enable it to help our churches even more.

More youngsters joining in as well as clergy encouraging their benefice churches to participate all helped. Those churches that did were able to also raise some much needed funds themselves – 50% of the sponsorship money for a nominated church was returned to them!

The Trust keeps the other half plus any gift aid to hand out in grants to our churches on application. All Saints, Braishfield benefited this year from a grant for repairs to the tower and clock. Our Grants Committee are very supportive of churches to the extent that they sometimes offer advice!

In addition, we are extraordinarily grateful to Hampshire County Council for their generous support of the Trust with a £25,000 grant annually. The Trust is also run entirely by volunteers so almost all the money raised goes to our churches.

Please join us and register for Ride & Stride on **Saturday 10 September**. If the date conflicts then pick another day to visit some of our county's wonderful churches by whatever means you wish! **Enjoy a picnic and have a fun day exploring our wonderful cultural heritage!**

You are most welcome to sponsor Chris and I and nominate your church. If you need further information please email us on [meryl@hihct.org.uk](mailto:meryl@hihct.org.uk) or ring 01794 368427. Our thanks to All Saints (Braishfield), St John's and the United Reform Church congregations for sponsoring the Trust in 2021 with £635 excl Gift Aid.

Please raise sponsorship, open your church, or make a donation. Participating churches will be on our website and it is best to check registrations shortly before the event.

Recollections of the Queen's Coronation June 2<sup>nd</sup> 1953  
Michael Horton, St. Paul's Cathedral Chorister

Following a successful voice trial in 1948 I was offered a place as a probationer chorister at the Cathedral's Choir School a couple of hundred yards from the Cathedral. The following year I was admitted as a full chorister and embarked on an exciting time of my life which culminated in singing at the Queen's Coronation in Westminster Abbey in 1953. The first time I became aware that I might be involved was during a maths lesson on 6<sup>th</sup> February 1952 when we heard the muffled sound of the Cathedral's Great Paul tolling and we were quickly told George VI had died and we were rapidly prepared for a service in the Cathedral. Our maths' teacher said we would probably find ourselves taking part in the future Coronation.

In the early part of 1953 we were each given the score of the music for the service and it was apparent there were some 22 pieces we would be singing, some new for the occasion. The score said we should be ***note perfect*** for the first rehearsal on 12<sup>th</sup> May. In total there were seven rehearsals of about two hours in St Margaret's Church Westminster and three in Westminster Abbey. If you missed one rehearsal you had to forfeit your place in the Coronation Choir and sadly Alfred Deller, the famous Alto/Counter Tenor, who was a member of the St Paul's Cathedral choir, had a BBC contract which precluded him taking part in one rehearsal and even he was omitted.

Westminster Abbey choir were the leaders of Choir one and St Paul's Cathedral the leaders of Choir two. I was allocated to treble 2 on Cantoris. We had an excellent view from our position high up on the north side of the choir which was the altar side east of the organ loft where the orchestra and conductor were situated. One amusing moment while we were at rehearsals was when there was concern that the installed lavatories might all be used at the same time so on a command the military were ordered to slam the doors and flush the toilets and the extent of the noise was noted at various places in the Abbey. Rehearsals provided an excellent opportunity to collect autographs.

On Coronation day we were woken at 05.45 by matron ringing a bell in the dormitory and dressed in the dreadful Eton suits with their difficult collars which we usually wore on Sundays. We had breakfast and were given a package of food which we placed in our sponge bags which we would later hang on our cassock girdles under our surplice. We left the choir School on a coach passing through some wet and crowded streets arriving at Westminster School where we changed into our cassocks, surplice and ruffs. Waiting in the

cloisters we heard that Sir Edmund Hillary had conquered Everest. We finally took up our allocated seats and a long period was enjoyed watching the comings of home and foreign royalty, dukes, peers, prime ministers and other dignitaries. The arrival of the massive colourfully dressed Queen Salote Tupou of Tonga will never be forgotten. Great amusement occurred shortly before the service began when a lady with a carpet sweeper suddenly appeared up the aisle.

The service itself can only be described as spectacular, the colours amazing and the sound of the music extraordinary. At the end of the service we had to wait for our turn to leave our seats to be announced. Some of us managed to get into areas which were not intended and found ourselves in one of the receptions for dignitaries. We then came across the Queen's coronation coach and no one objected when some of us touched it! I am sure that would not be the case today. We returned to Westminster School where we changed back into the Eton suits and had some refreshments. Then back to the Choir School through the still crowded streets for a well earned rest. We listened to the Queen's speech and later climbed up the 378 steps to the Cathedral's stone gallery to watch the firework display on the South Bank. By the time we got to bed it had been an over eighteen hour day.

We later received our coronation medals and were part of the Coronation Thanksgiving Service at the Cathedral. It was my final year in the choir and I left a month later with some never to be forgotten memories for a 13 year old. Little did I realise when I attended that voice trial what was to follow.

## Prayer for peace in Ukraine from Archbishops Welby and Cottrell

Holy and Gracious God

We pray for the people of Ukraine and the people of Russia; for their countries and their leaders.

We pray for all those who are afraid; that your everlasting arms hold them in this time of great fear.

We pray for all those who have the power over life and death; that they will choose for all people life, and life in all its fulness.

We pray for those who choose war; that they will remember that you direct your people to turn our swords into ploughshares and seek for peace.

We pray for leaders on the world stage; that they are inspired by the wisdom and courage of Christ.

Above all, Lord, today we pray for peace for Ukraine.

And we ask this in the name of your blessed Son.

Lord have mercy.      Amen
